The Zoo

Another exciting double bill from Hounslow Light Opera Company!

Join us for a musical trip to the zoo! The Zoo is an early musical work by Sir Arthur Sullivan of Gilbert & Sullivan fame. First staged in London in 1875, this delightful one-act comic opera, with words by BC Stephenson under the pen name of Bolton Rowe, deals with the farcical events surrounding two pairs of lovers visiting the London Zoological Gardens for the day, and one of them has a secret!

Our production of The Zoo will be semi-staged, and will be performed together with a selection of other animal-themed songs & entertainment.
