The Pirates of Penzance

(or *The Slave of Duty*)

When Frederic was a little lad he proved so brave and daring that he ended up being mistakenly apprenticed as a pirate! Now approaching his 21st birthday and the end of his apprenticeship, we find Frederic on the beautiful Cornish coast as he prepares to leave the pirate gang for a civilised life. When Frederic falls in love with the beautiful Mabel on the eve of his birthday, his future looks promising, but the course of true love rarely runs smoothly, and especially not in the world of Gilbert & Sullivan!

Join our rollicking band of pirates on this musical adventure as they proceed with cat-like tread towards what we all hope will be a happy ending, with lots of toe-tapping tunes along the way!
